

Lead Pastor Vote – Vice Chair Announcement

On behalf of our LBA, I am thrilled to announce the results of our Lead Pastor vote taken this weekend: March 25th and 26th, 2023.

The combined Members and Non-members voting results showed 92% in favor of calling Pastor Jason Blaikie as new Lead Pastor at Framework Church.

We praise God that Pastor Jason has accepted this position and will begin serving in this new role on July 10th, 2023.

We are excited about the model of leadership Pastor Jason will provide as we seek to Reach the Lost, Restore the Broken, Raise Disciples, and Release the Equipped.

As Vice-Chair of your LBA, I wish to express my appreciation to our Search Committee and the Local Board of Administration for their many hours spent diligently seeking the Holy Spirit's desire for Framework Church.

Thank you; and may God richly bless you.
